**Winter Holidays Home Work (Session 2025-26) (Pg.1-3)**  
**Class - III**

Dear Students

Winter is no reason to stay inside all day. Just because the sun is hiding doesn't mean it's time to hunker down and hibernate. During colder months, it is important to get the family outside and maintain activity even though there may be some frost on the ground. Besides, winter months bring on a whole new set of fun activities to explore. Go out with your family in a park and enjoy playing under the sun.

*Just a little Note*

1. Early to bed, early to rise makes a man healthy wealthy and wise.
2. For ensuring fluency in English language, interact in English only.
3. Eat lots of green vegetables, fruits and green salad.
4. Watch informative Programmes on T.V.

## ENGLISH

**Task 1.** Write your two wishes that you want to be fulfilled in 2026 on beautiful cutouts. Make borders and decorate the pages.

For examples:

My wishes for 2026 are :

- Pollution free Earth
- Health and happiness for everyone.

Also write , what will you do to get your wishes come true.

**Task 2.** Read any one of the following stories:

- Rapunzel
  - Cinderella
  - The gingerbread Man
  - Snow white
- Draw and write few lines about your favorite character.
- What would you have done if you were the main character of the story?

**Task :3** Learn all the work done in the class so far and practice all the grammar topics.

## HINDI

- यदि आप कभी पिकनिक गए हैं, तो उसका अनुभव अ-4 साइज़ शीट पर लिखें।
- बेकार वस्तुओं से एक उपयोगी वस्तु बनाइए। आप पेन स्टैंड, फूलदान, खिलौना या फोटो फ्रेम में से कोई एक बना सकते हैं।
- अभी तक के सभी पठित पाठों को दोहराएँ व व्याकरण के विषयों को कंठस्थ कीजिए।

## MATHS

“ Mathematics is the science that deals with the logic of shape, quantity and arrangement. Math is all around us, in everything we do. It is the building block for everything in our lives.”

- Learn tables 2 to 20.
- You are advised to revise all the work done till now.
- Making *Rangoli* on festivals such as Diwali and Onam is a common practice in India. In many parts of India, people begin their day by creating beautiful rangoli pattern in front of their main doors. Make a rangoli pattern on A3 size sheet using simple shapes.
- Make a model of a clock using simple materials like cardboard for the face of the clock, draw numbers 1-12, create clock hands and attach them at the center.

## Science

- Prepare a **Seasonal Wheel**, neatly divided into **four equal sections**, each representing one season—**Summer, Rainy, Winter, and Spring**. In each section, students should write:
  1. The main characteristics of the season
  2. Weather conditions
  3. Common activities, festivals, or events associated with that seasonThe Seasonal Wheel should be colorful, informative, and neatly labelled.

### Social studies

Students are required to **design and construct a model of a raft using ice-cream sticks**. The raft should clearly demonstrate the basic structure of a floating platform used for transportation over water. Students may use thread, glue, or other safe craft materials to firmly join the sticks. Care should be taken to ensure proper alignment and balance of the raft. A small label mentioning the student's name, class, and section should be attached to the model.

### General Knowledge

- Collect any 10 pictures of various logos. Paste them on A-4 size sheet and write their names under them .

### ART AND CRAFT

- Do page no. 54 (Bird house Craft)
- Do page no.27 and paste it in your Art files

Dear Parent(s),

If your child has been successful in homework completion and is working hard, celebrate that success with a special event (e.g., pizza, a walk, a trip to the park) to reinforce the positive effort, when the school reopens bring back your treasure.
