**Subject: Rescheduling of Summer Vacations for academic session 2021-2022**

Dear Parent(s)

Greetings!

Hope this communication finds you well and safe. We pray to the Almighty for the safety and wellbeing of all during this tough time of COVID-19 pandemic.

The current scenario has been difficult and unexpected for the entire mankind which has been standing strong against the unprecedented situation. However, the preventive measures must be adapted by everyone in order to fight against this untamed virus revolving around us.

In view of surging COVID-19 pandemic, the DOE, through vide circular no. DE23(3)/SCH.BR/2021-22/238 dated 19 April 2021, has announced re- scheduling of Summer Vacations for the academic session 2021-22. Thus, the ongoing academic online classes for Pre School to VIII will be suspended from **23rd April to 9th June, 2021**. The regular classes will resume from **Thursday, 10th June, 2021**.

It is essential to constantly provide positive circumstances to our students during such challenging conditions. Hence, as guided by DOE, through vide circular No. PS/ADE/PSB/2021/1665-1670 dated 21 April 2021, few 'Creative Classes' and 'Remedial classes' will be conducted to hone the creative, critical thinking and provide experiential learning to the students. These classes will enable them with relevant means to cope with the current phase of learning and meet out the learning gaps created during the pandemic.

The information regarding activities for all classes during the Summer Vacation via online mode is as follows:

- **Grade Pre-School to VIII:** To nurture the creative & critical thinking skills of the students, the school will conduct 'Creative Classes' w.e.f 1st May 2021 and share relevant summer vacation assignments respectively. The schedule regarding the same will be shared with you shortly via circular, which will be uploaded at the school's official website.
